

Kirk and Marlene Spain

Serving the National Church in South Africa

Thank You!

Dear Friends,

Our lives are blessed to have you in it!
Partnering together, working together, praying together, and serving God in missions!

As we head into the last few months of 2021, we're excited about doors reopening, ministry happening outside again, and being able to meet in person to strategize for the future.

Healthy Pastor, Healthy Church Initiative

Teaching...

On-campus classes have just resumed at The Southern Africa School of Theology (SAST)! PTL! They have struggled to meet in person due to restrictions, but classes continued during the year mainly via WhatsApp messenger. That was a unique teaching experience! Everyone's glad to be back together now.

SAST on-campus classes resume!!

Missions Team Trip....

Kirk had the privilege of driving the IAG's (International Assembly of God) Mission Team to the Northern Cape Province to visit some Pastor's and recent church plants in that area that have been hit hard in the last couple of years. What a great time of encouragement and relationship building!

...To Northern Cape Province

Part of the task was to tear down a small shack church and move it to the new tabernacle structure location.

Prayer Requests...

1. The General President of the IAG, Dr Lebelo, was very sick and still has not fully recovered. Please pray for his health.
2. Our National Church partners have District leadership elections in October. Please pray that the right leaders will be elected in the right positions to help lead the church in the days ahead.
3. We are partnering with the Healthy Pastor initiative. Please pray that the team will have wisdom on how to assist local pastors during this challenging time of ministry. Many pastors are discouraged and facing personal financial struggles.
4. Please pray for wisdom & creativity in ministry. Everything is changing!
